PERONI RED GLUTEN FREE
4.7%

TASTING NOTE

Peroni Red is Italy's number one beer! The red labelled Peroni offers a slightly darker colour with a more pronounced malty and less hoppy characteristic with a perfect balance of flavour between bitter and sweet. World Award Winning Gluten Free version. Gluten detectable <10ppm.

PERONI RED 4.7%

TASTING NOTE

Peroni Red is Italy's number one beer! Unlike the more famous Peroni Nastro Azzurro, the red labelled Peroni Red offers a slightly darker colour with a more pronounced malty and hoppy characteristics.

The Peroni brewery was established in 1846 in Vigevano, Lombardia. From then, Peroni has grown to become Italy's most recognised beer and furthermore, Peroni Red is the most widely consumed beer throughout the Italian Peninsula.

MENABREA 4.8%

TASTING NOTE

The Birra Menabrea 1846 lager is brewed using light barley malts and maize, for a light, crisp lager style.

A special, proprietary yeast strain, and a more significant amount of hops than is usual for a lager beer add to the aromatic complexity of the beer. This, combined with a fairly high alcohol level, makes for a very full and flavourful, yet still refreshing lager.

Beer is all about the flavour and the bubbles and Menabrea has both in bucket loads. Malt, maize and hops are the base of this brew, turning it into a complex drink.

It's super fragrant, with a hint of ginger blossom, orange peel and malty notes, then a deliciously refreshing dry hoppy bitterness on the finish. A very pure beer.

GREECE

MYTHOS 5 %

TASTING NOTE

Mythos Brewery Ltd is the second largest brewery in Greece. The brewery created 'Mythos' in 1997, the first authentically Greek beer, which has won the hearts of Greek and foreign consumers. The combination of Mythos' exceptional quality with its authentic, impressive, revolutionary personality, has led to its becoming the beer of choice for more and more consumers, not only in Greece... Its unique taste even draws foreigners visiting the country to ask for it by name. The fact that the majority of these are from countries with a strong beer tradition, confirms the potential of 'Mythos' beyond the borders of Greece.

FIX LAGER 5%

TASTING NOTE

Fix Hellas, the first and most historic Greek beer is a premium lager beer that is ideal for any time of the day. Its soft flavour has a balanced bitterness enhancing the pleasant flavours that emerge during the yeast fermentation and a rounded long-lasting aftertaste. Its content in alcohol amounts to 5% and its prevailing perfumes are the freshness of apple and banana scents. Fix Hellas guarantees high quality and reliability throughout the production stages, offering a unique pleasure from the first sip.

THAILAND

SINGHA 5%

TASTING NOTE

Singha Beer has been proudly brewed in Thailand since 1933. A premium lager beer brewed from the finest ingredients, "Singha" is a full-bodied 100% barley malt beer that is distinctively rich in taste with strong hop characters.

BALADIN

Cuneo, Italy

Seven times proud. The awards have won in 6 different categories in the Italian beer competition called “Beer of the Year 2015” organized by unionbirrai.

Baladin was the most awarded brewery during the competition for both the total premium and for the number of categories in which its beers were entered. We are proud!

These awards give us new energy to work even harder to offer you beers with a strong personality, balance and yet all different – but always sharing the same soul! Teo!

CRAFT SELECTION

ISAAC 5%
Wheat Ale

TASTING NOTE

The creamy head, the cloudy, apricot colour and the scent of yeast and citrus, which blend into spicy harmonies of coriander and peeled oranges, call you from the glass. Isaac is also ideal as an aperitif.

Refreshing to the palate, it has a light body and is very easy to drink.

NAZIONALE ALE 6.5%
100% Italian Lager

TASTING NOTE

The first 100% Italian Beer made with Italian ingredients. An intentionally simple beer, Italian water, barley malt, hops, yeast and 2 Italian spices (Bergamot and Coriander) which combine to create harmony and originality. A beer which suggests more or less daring combinations, but more importantly marks a turning point in the Italian production of craft beer. Nazionale is also excellent as an aperitif.

SUPER BITTER 8%
Amber Ale

TASTING NOTE

Super Bitter, it undoubtedly follows the current trend of bitter beers, but without taking it too far! Super Bitter has sure plenty of hoppy scents – given by the generous use of a particular type of American Hop called “Amarillo”, but it remains true to its Baladin identity and strikes a perfect balance with notes of caramel, dried fruit (just a hint) and the bitterness of the hops. Super Bitter, just as its famous “big sister” (if not more) will entice you to spend time with others and socialize.

ROCK HOPPER IPA 6.1%
Can 375ml

TASTING NOTE

Big and juicy, this West Coast IPA was brewed to celebrate the journey to our favourite remote places. Packed with tropical hop flavours of mango, passionfruit & melon, balanced with a crisp & slightly dry finish to please the palate.

A very lean beer, with the malt playing a minor role so the four American hops, Citra, Amarillo, Chinook and Centennial, are allowed to shine.

ABV: 6.1%
Hops: Citra, Amarillo, Chinook, Centennial.

AIBA 2018 SILVER MEDAL

EVIL EYE RED IPA 5.8%

With a forward hop profile, it is full bodied, has fruity notes, packed with flavour and aroma and has a balanced dry finish.

We've used fresh Batlow grown US Cascade hops for extra hop kick.

ABV: 5.8%

REVEL BREWING CO.

Brisbane, Australia

We don't just love making craft beer, we Revel in it! The most important thing about us is our Fresh, locally produced craft beer and the friendly atmosphere at our Bulimba brewery! At Revel, we love brewing good beer for good people.

Revel Brewing Co. is nearly 100% powered by the goodness of the sun! Every tank, refrigerator, fan and light bulb takes what it needs from the massive array of solar panels located on our roof. After all, we are in the Sunshine State.... it would be rude not to!

This special little corner of Brisbane has a rich history in many industries including ship building, defence of our country and 135 year old story of brewing.

Good people drink good beer!

LAGER 4.8%
Can 375ml

TASTING NOTE

Clean, crisp, and refreshing; we fancy our 'Shipwright' Lager would have been enjoyed by Bulimba's boat builders of old. Brewed with fine pilsner malt, this beer has a delicious 'bready' character, while New Zealand hops add a hint of spice, and some zesty 'mojito' lime flavours.

IPA 7.5%
Can 375ml

TASTING NOTE

One sip of our West-Coast style IPA, and you'll think you're enjoying a tropical fruit drink with a punch! The simple malt bill takes a back seat, to let the hops shine! A generous helping of Mosaic, Citra, and Simcoe combine to provide the big hop-flavour punch associated with this style!

SUMMER ALE 4.7%
Can 375ml

TASTING NOTE

In-house, this beer is referred to as the 'Tradies Summer', paying homage to the hard workers who got Revel up and brewing. With a fruity aroma, light body, and crisp finish, this beer is a little too drinkable, and the ultimate choice for any occasion.

PALE ALE 5%
Can 375ml

TASTING NOTE

Like the vibrant cultural scene of Bulimba's Oxford Street, our 'Oxford Pale Ale' is full of character. A favourite of the brewery, with the perfect balance of flavour and drinkability, this beer has a 'biscuity' malt profile with an aroma of citrus and pine, derived from the generous use of new-world hops.

A close-up, sepia-toned photograph of a glass jar filled with a cold, carbonated beverage, likely cider. The jar is covered in condensation droplets and has a thick, white head of foam at the top. To the left of the jar, a whole apple sits on a rustic wooden surface. The background is softly blurred, showing more of the wooden surface and some leaves. The word "cider" is written in a clean, white, sans-serif font across the middle of the jar.
