A close-up, sepia-toned photograph of two martini glasses. The glasses are filled with a thick, creamy liqueur, topped with a dusting of dark cocoa powder. The glasses are set on a dark tray, which also holds a white napkin and a small, wrapped gift box. The background is softly blurred, showing more of the tray and the gift box.

liqueurs

AMARO
MONTENEGRO

AVERNA

LUCANO

AMARO

MONTENEGRO 23%

TASTING NOTE

A delicate amber-coloured liqueur the name Amaro Montenegro was a tribute to Elena, second Queen of Italy, the wife of Vittorio Emanuele III.

Deep tawny in colour with a notable viscosity.

A complex and noisy frenetic nose reveals notes of orange, herbs, dried peach, cola and almond. Bittersweet on the palate, this classically styled product is beautifully crafted, combining sugar and tangy bitterness consummately well. Perfect.

AVERNA 29%

TASTING NOTE

Herbal bittersweet scent. Smooth on the tongue with herbal and citrus, followed by dominant caramel flavours, a hint of coffee and a sweet and lightly bitter finish.

LUCANO 28%

TASTING NOTE

Amaro Lucano consists of the careful blend of more than 30 specially selected herbs, which characterizes its strong and delicately balanced flavour. During the production process, special attention is given to the ripening phase, because at this stage the infusion must be left to rest for a long period of time.

During this procedure, the flavour develops its finish, and a balanced, consistent flavour, with citrus and floral notes, the distinctive mark of Amaro Lucano.

Silky like a liqueur; both bitter and sweet in varying degrees; aromatically complex, and quite simply, delicious and fascinating.

AMARO

CYNAR 16.5%

TASTING NOTE

The artichoke liqueur known for its versatility and taste Cynar is an artichoke based bitter. Its distinctive flavour is enriched from an infusion of 13 herbs and plants, making it a completely natural drink, rich in scents and a unique taste . It perfectly conserves all the health properties of the ingredients used in its preparation.

ZUCCA 30%

TASTING NOTE

Made from an infusion of Rhubarb Rootstocks and a secret selection of rare herbs, Rabarbaro captures an appealingly delicate flavour.

Zucca is made using the root of the true Chinese Rhubarb, which grows only in the mountainous regions of Kansu province.

Ebony colour.

Aroma with distinct hints of rhubarb and fine Chinese herbs. "Pleasantly bitter, balanced, lingering and long on the palate."

FERNET BRANCA 39%

TASTING NOTE

The discovery of Fernet-Branca is an adventurous journey amidst flavours and emotions. It is a unique journey that is bound to establish a new and intense relationship that will last a lifetime. Three sips to get to know each other and be together forever.

The first sip is rapture and the discovery of something unexpected: truth reveals itself. the second sip is the start of an engaging journey, where you discover the wide range of spices that interact harmoniously and secretly. At the third sip the experience is transformed and the sweeter and more delicate notes of the plants and flowers come to the fore, leaving the bitter taste in the background.

APERITIF & VERMOUTH

NEGRONI COCKTAIL 21%
1lt / 200ml

TASTING NOTE

The Negroni made according to the ancient custom of Count Negroni now comes premixed in a bottle. A contemporary cocktail, in line with its great tradition, always assuring the highest quality. Our recipe is based on carefully selected, high-quality Italian ingredients.

A great Negroni Cocktail, pleasant and well balanced, with unmistakable Italian charm, a strong personality and a typically smooth and seductive taste, which fits the lifestyle of evolved Italian and international consumers. The alcohol content of 21 degrees is perfect for the contemporary taste and makes it more attractive and amiable.

ROSSO ANTICO 16%

TASTING NOTE

The new Rosso Antico is inspired by the original recipe from the 60s. A masterful blend of select white wines and 33 botanicals. Three species of Wormwood - Absinthium, Pontica and Vulgaris - endow the liquid with its characteristic personality and balanced level of pleasant bitterness. The most distinct element of the Rosso Antico aroma is the Ireos Fiorentina, one of the finest varieties of Iris, which gives the vermouth its signature floral notes. Dark, chocolate colour, with a slight amber hue. Intense and extremely complex. Floral notes stand out against wine based notes, followed by tropical spices and intense balsamic sensations. Vegetal and grassy notes round out the profile. Particularly rich and well-balanced. A soft initial sweetness with pleasant level of acidity fills the mouth and leaves space for a mild yet persistent bitter mouthfeel.

SELECT 17.5%

COLOUR

Intense and brilliant ruby red color with orange highlights

BOUQUET

Strong and tonic primary notes, with citrus fruit and essential oils, combined with fresh, balsamic, resinous eucalyptus and menthol notes which mainly come from the juniper distillate. Complex and herbaceous secondary notes.

PALATE

Complex and intense with bitter notes coming from roots and bark. The spicy and tropical notes marry perfectly with the citrusy ones. Pleasantly persistent aftertaste with fresh and rich notes coming from the citrus fruits and essential oils.

"LA COPA" ROSSA 17.5%

BOUQUET

Intense spiced aroma, notes of clove and cinnamon stand out, with an elegant bitterness on the finish.

PALATE

On the palate it is smooth and elegant. There can be no doubt as to its origins in Jerez. La Copa brand was one of the first to be registered by Gonzalez Byass dating back to 1884. The production follows the original recipe from 1906 and the packaging is a replica of the original label.

Produced from fine Oloroso and Pedro Ximenez soleras which are more than 8 years old. A meticulous selection of botanicals, wormwood, savory, clove, orange peel, nutmeg, cinnamon, angelica and quinine achieves the perfect bitter - sweet, aromatic balance, the proportions of which is a closely guarded secret, kept under lock and key in the winery.

LEMONCELLO 28%

TASTING NOTE

Limoncello Toschi is made naturally by steeping natural lemon peel in alcohol, without added preservatives or colouring. Traditionally served chilled, it is excellent after a meal, but can also be an ideal ingredient in cocktails and long drinks.

Adding tonic water to it, you'll get a perfect, thirst-quenching aperitif.

AMARETTO 28%

TASTING NOTE

From the great Toschi tradition, an inimitable international taste. Smooth almond liqueur of the highest quality. Amber caramel hue. On the nose very bright almond scents.

NOCELLO 24%

TASTING NOTE

With a delicate, fragrant flavour, Nocello is a liqueur made from walnuts and hazelnuts with an alcohol content of 24% by volume.

Ideal served straight, on the rocks or chilled in the freezer. A wonderful addition to espresso coffee and cappuccino, and also as an ingredient in cocktails and long drinks.

Over the last few years, liqueur Nocello by Toschi has obtained several awards at international level.

SAMBUCA 38%

TASTING NOTE

Toschi Sambuca is made from a selection of 32 herbs and spices, including the rare and ancient Star Anise. With its alcohol content of 38% by volume, Sambuca is ideal when served chilled, after dinner, or with espresso coffee. It is also an excellent ingredient in cocktails and long drinks.
